*When I must leave you for a little while  
Please do not grieve and shed wild tears  
And hug your sorrow to you through the years.*

*But start out bravely with a gallant smile;  
And for my sake and in my name  
Live on and do all things the same,*

*Feed not your loneliness on empty days,  
But fill each waking hour in useful ways,  
Reach out your hand in comfort and in cheer  
And I in turn will comfort you And hold you near;*

*And never, never be afraid to die,  
For I am waiting for you in the sky!
